OXFORD
Flour and Bread Company.

THE SUBSCRIBERS to the above Concern respectively inform the PUBLIC, that BOOKS for the Reception of Names are placed at the several BANKING HOUSES in *Oxford*. It is presumed that a Measure which has the general good of this CITY and NEIGHBOURHOOD solely for its Object, will meet with that Encouragement, of which it is so much deserving. Personal Applications are making, and will be made to all Persons indiscriminately, as it is intended to make the PLAN as generally useful as possible.

WHEN a Sufficiency of Names are procured, a COMMITTEE will be immediately formed for conducting the Business.

PERSONS of the FIRST RESPECTABILITY in *Oxford*, and its VICINITY, have already sanctioned this Undertaking by their NAMES and very liberal SUBSCRIPTIONS thereto.
